

C.V

Name: Nadia Hameed Rija Al-Falahi

Date of Birth: 12/1/1977

Specialization: veterinary surgery

Position: College of veterinary medicine

Scientific Degree: Assist. Prof.

Work Address: Iraq/ Baghdad/ Al- Ameria

■ First: Scientific Certification

Degree science	University	College	Date
B.Sc.	University of Baghdad	College of Veterinary Medicine	1999
M.Sc.	University of Baghdad	College of Veterinary Medicine	2002
Ph.D.	University of Baghdad	College of Veterinary Medicine	2015

■ Second: Career

No.	Career	Work place	From -To
------------	---------------	-------------------	-----------------

1	Registration manager	University of Baghdad / College of Veterinary Medicine	2010 to 2011
2	Registration manager	University of Baghdad / College of Veterinary Medicine	18/4/2017 to 3/10/2017
3	Vice Dean for Student Affairs and Registration	University of Baghdad / College of Veterinary Medicine	(3-5)/4/2011

 **Third: Teaching**

No.	University	The (Institute / College)	From -To
1	University of Baghdad	College of veterinary Medicine	2005- to date

 **Fourth: Courses**

No.	Department	Subject	Year
1	Surgery and Obstetrics	Surgery (graduate) (theoretical, practical and clinic)	2005- to date
2	Surgery and Obstetrics	Surgery Students (postgraduate) (theoretical, practical and clinic) Obstetrics students (theoretical, practical)	2016- to date

 **Fifth: Thesis**

No.	Thesis Title	Department	Year
1	Use of eggshell hydroxyapatite implant in repair of radial bone defects in rabbits	Surgery and Obstetrics	2018

 **Sixth: Conferences**

No.	Conferences Title	Year	Place	Type of Participation
-----	-------------------	------	-------	-----------------------

1	13 th scientific conference (2 nd international) of veterinary medicine	2021	College of veterinary medicine/ university of Baghdad	Scientific committee
2	14 th scientific conference (3 rd international) of veterinary medicine	2023	College of veterinary medicine/ university of Baghdad	Scientific committee
3	3 rd scientific conference (Pharmacy and chemistry in heritage)	2017	Arab scientific heritage revival center	attendance
4	6 th scientific conference	2017	College of veterinary medicine/ university of Al-Qadisiyah	attendance
5	3 rd scientific conference (1 st international)	2018	College of Sciences/ University of Tikrit	attendance
6	2 nd scientific conference for postgraduate	2019	College of veterinary medicine/ university of Baghdad	attendance

Seventh: Scientific Activities

Within the College	Outside the College
Discussion committees member	Scientific evaluation of researches and theses
Scientific committee member	
Scientific promotion committee	
Scientific evaluation of researches and theses	
Graduation projects discussion committees	

■ Eighth: Publications

No.	Research Title	Place of Publication	Year
1	Comparative study for using of sub mucosa of small intestine in healing of clean and infected avulsion wounds	Iraqi J. of Veterinary Medicine	2009
2	Using of small intestine sub mucosa in the healing of superficial digital flexor tendon in goat	9 th conference of veterinary medicine	2009
3	Effect of submucosa of small intestine on intestinal anastomosis in goats	Al- Qadisia J.	2010
4	A comparative biomechanical study of repaired tendons wrapped with two biological matrices in bucks	The Iraqi journal of veterinary Medicine	2016
5	A Comparative Histopathological Study of Repaired Tendons Wrapped with Two Biological matrices in Bucks	Advances in Animal and Veterinary Sciences	2016
6	Comparative evaluation of bovine pericardial membrane and amniotic membrane in wounds skin healing in rabbits	The Iraqi journal of veterinary Medicine	2016
7	Effect of small intestine sub mucosa in radius bone gap healing in rabbits.	Journal of Entomology and Zoology Studies	2017

8	Effects of Chitosan and Hyaluronic Acid in Healing of Chemically Induced Oral Ulcer in Rabbits.	Kufa Journal for Veterinary Medical Sciences	2016
9	Modified Polymer Matrix Nano Biocomposite for Bone Repair and Replacement-Radiological Study.	<i>Engineering and Technology Journal</i>	2017
10	Effectiveness of platelet-rich fibrin matrix treated with silver nanoparticles in fracture healing in rabbit model	Veterinary world	2018
11	Synthesis and structure of eggshell hydroxyapatite bone implant	Online Journal of Veterinary Research	2018
12	Egg shell hydroxyapatite implant for repair of radial bone in rabbits	Online Journal of Veterinary Research	2019
13	Histopathological Study of Using Single-layer Simple Continuous and Continuous Lembert Suture Patterns for cystotomy Closure in Rabbits	Al- Anbar J. of Vet. Science	2020
14	Application of stearic acid in organogel as a floating system	International Journal of Pharmaceutical Research	2020
15	STUDY THE EFFECT OF AVIAN EGG SHELL HYDROXYAPATITE POWDER ON BONE GAPS HEALING IN RABBITS	Veterinary Practitioner	2020

16	The role of <i>Helianthus tuberosus</i> powder in healing of full-thickness wounds in mice	Veterinary World	2021
17	Synthesis and Characterization of Porous B-Calcium Pyrophosphate Bone Scaffold Derived from Avian Eggshell	Pakistan J. Zool	2022

■ **Ninth: Awards and Certificates of Appreciation**

No.	Name of Awards and Certificates	Donor	Year
1	Thanks and Appreciation Certificates (6)	Ministry of higher education and scientific research	
2	Thanks and Appreciation Certificates (5)	University of Baghdad	
3	Thanks and Appreciation Certificates (14)	College of Veterinary Medicine	

■ **Tenth: languages**

- ✓ Arabic
- ✓ English
